Mobile Marketing

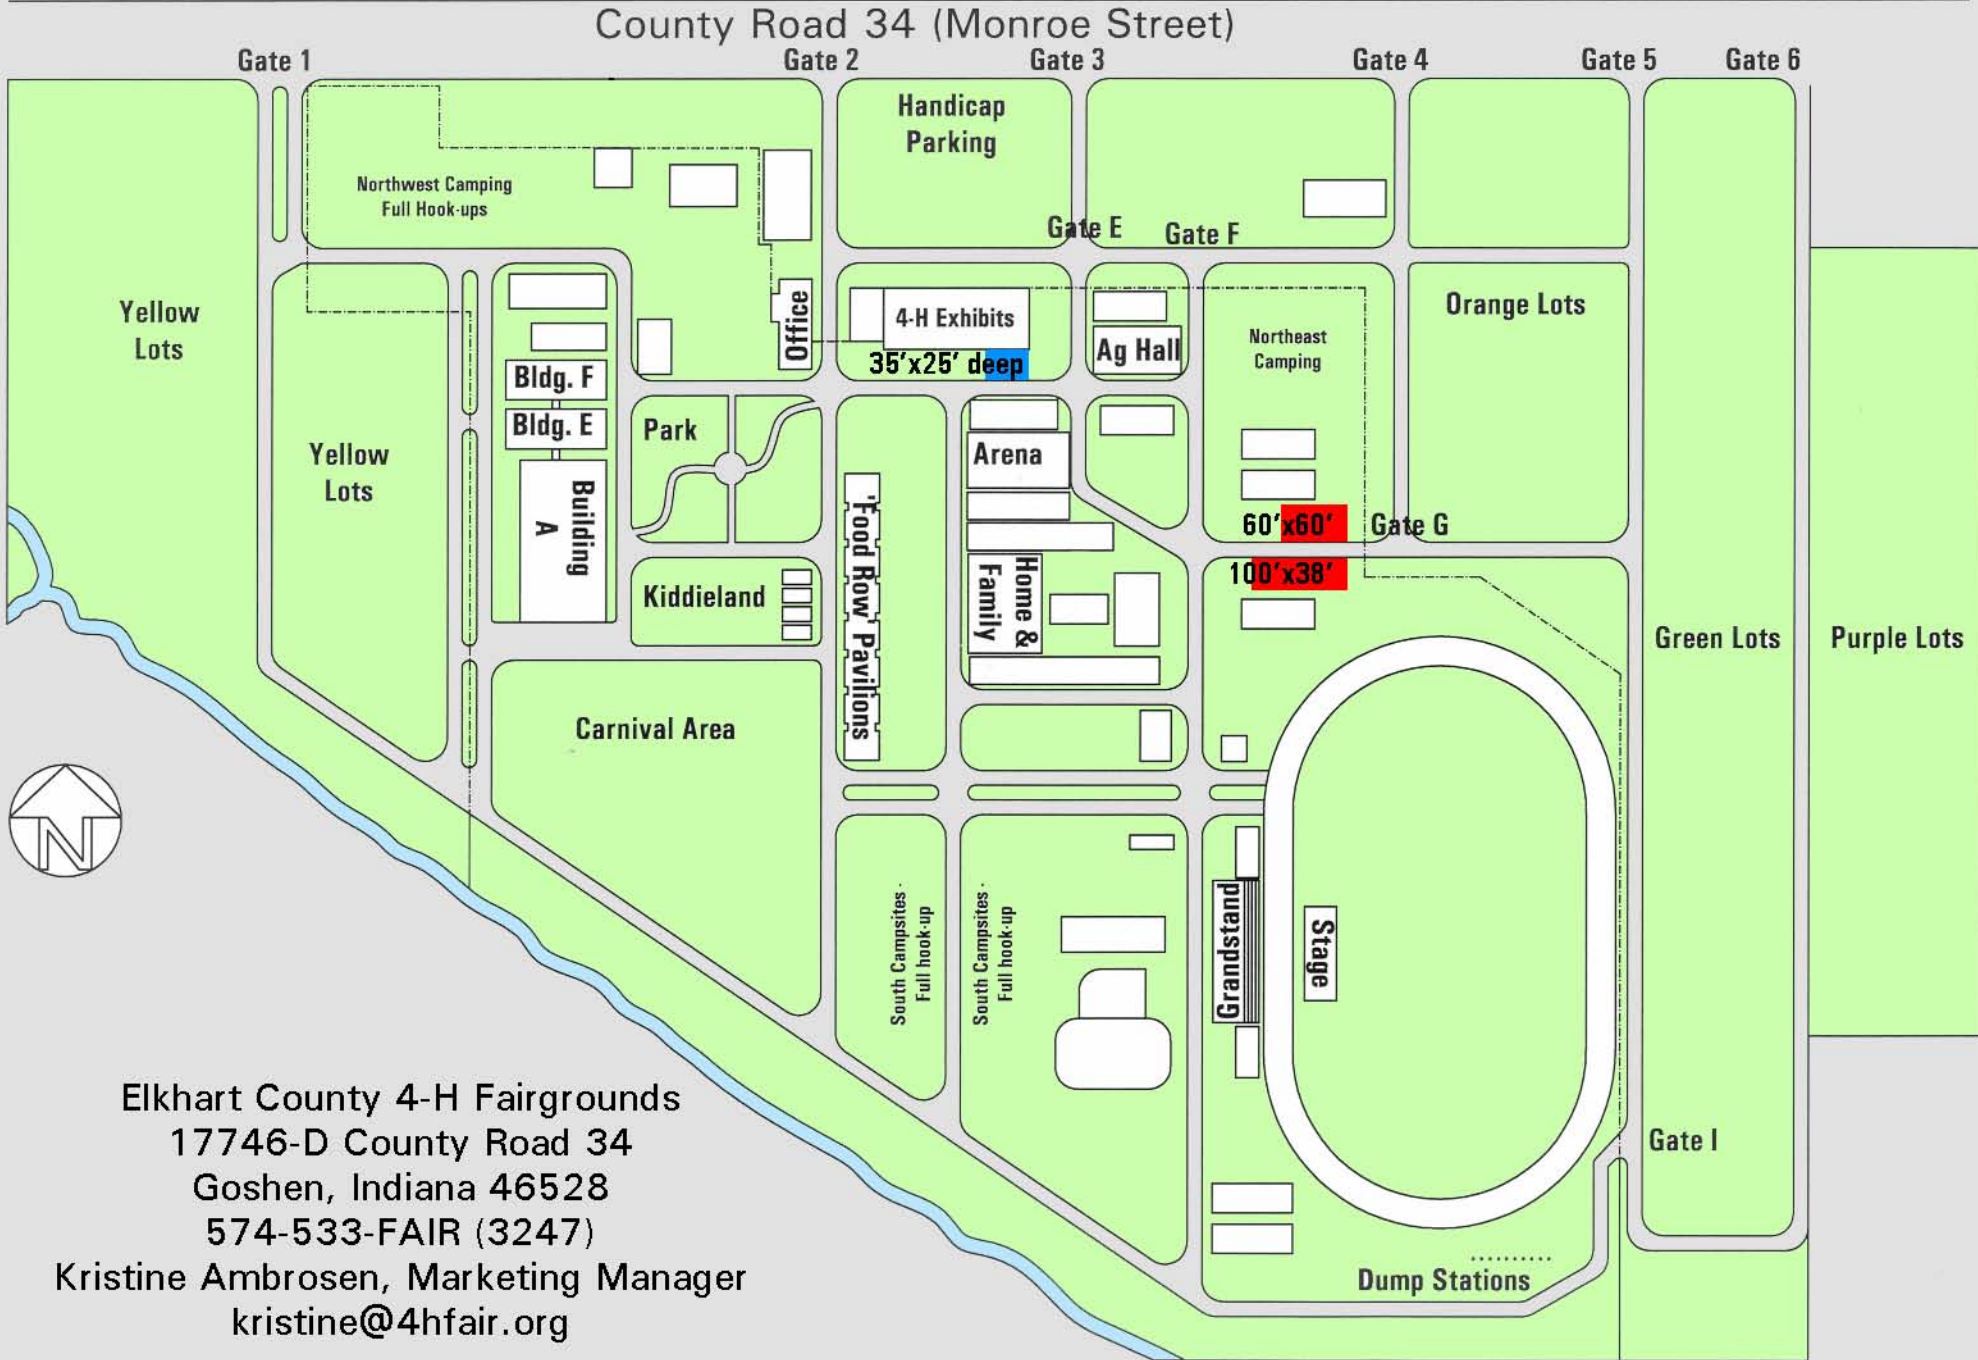

- Currently, we have three locations for mobile marketers. Two locations are just inside the main entrance and one smaller location within the interior of the fairgrounds. All three locations are easily accessible by large vehicles.
- Electric and water are available. Please indicate on the contract what your needs will be.
- Food sampling will need approval from the Fair Executive Committee. Please list the type and amount of sampling on the contract. In some cases, food sampling may need to be limited due to current concession agreements on our grounds.
- Set up and tear down during fair week is permitted in the night and early morning hours of 10pm-8am
- Location Costs & Sizes listed below:
 - 100' frontage x 38' deep, located inside the main entrance, \$1,000 per day.
 - 60' x60', located inside the main entrance, \$1,000 per day.
 - 35' frontage x 25' deep, located inside fairgrounds near the 4-H Exhibit Hall & Family Stage, \$500 per day.

◀ To US 33

Areas in red are available 'main gate' locations for mobile marketing units.
The area in blue is the 'interior location' available for smaller mobile units.
