

2008

Elkhart County 4-H and Agricultural Exposition, Inc.  
HORTICULTURE DEPARTMENT

DIRECTOR – Phyllis Schortgen

Committee Head: Jerry Martin

Committee Members:

Larry Drudge , Paul & Marilyn Miles, Vickie Estep,

Jim Maddux, Helen Martin, Mary Hesser,

Mary Riggs,

RULES

(No Pre-Registration)

PLEASE NOTE: Exhibits need to be brought in either Wednesday evening, July 16, 5-7 p.m. or

Thursday morning, July 17, 7-9:30 a.m.!

Judging will be open to the public.

1. All articles to be entered must be brought to the Ag Hall on the fairgrounds between 5:00 and 7:00 p.m. on Wednesday, July 16, 2008 or between 7:00 and 9:30 a.m. on Thursday, July 17, 2008. **NO LATE ENTRIES.**
2. The public may observe the judging; however, contestants are asked not to converse with the judges or their exhibit will be disqualified. Plants and flowers will be judged first with vegetables being judged in the afternoon.
3. Except as otherwise specified, exhibits will be grown by exhibitor. Accent material for arrangements need not be produced at home.
4. All flowers and vegetables must have been grown by the exhibitor.
5. Only one entry per person is allowed in each class.
6. An entry fee of \$1.00 per exhibitor per section for up to the first five (5) classes per section will be charged. \$2.00 will be charged for 6 to 10 classes and \$3.00 for 11 to 15 classes and \$4.00 for 16 to 24 classes in each section, and \$5.00 for 25 classes and over in each section.
7. Department officials reserve the right to determine classification.
8. “Unclassified” means entry types other than already listed.
9. Containers for cut flowers are the responsibility of the exhibitor. Container must be a clear glass vase or jar. **(Label bottom of container with name, address & phone number for safe return.)**
10. Cut flower entries requiring more than one flower should be the **SAME COLOR** and variety (with the exception of arrangements).
11. Maximum width for containers is 18 inches in diameter, weighing no more than 40 lbs.
12. All heights are measured from the soil line.
13. All potted plant containers must have a water saucer underneath the container to prevent leakage. Cookie sheets can be used for large plants. **(Label bottom of container with name, address & phone number for safe return.)**
14. The building is air conditioned. Exhibits will be kept fresh by department officials.
15. Premiums will be paid for first, second, third, fourth places at the rate of \$2.50, \$2.00, \$1.50, \$1.00 respectively.
16. Judges are instructed not to award premiums unless the exhibits are worthy.
17. Champion ribbons will be awarded. These awards are automatic, based on 4 points for first placing, 3 for second, 2 for third, 1 for each fourth. Overall trophies and special trophies are also awarded. A Best of Show ribbon and Reserve Champion ribbon will be awarded for sections 1, 2, 3-6, 7& 8, 9&10, 11, 12 & 13. (In case of a tie, winner will have the most 1st places).

18. Premiums, ribbons and trophies may be picked up between 4:00 p.m. – 7:00 p.m. on Monday, July 28th, after the fair, at that time you may pick up your entry.
19. All exhibits must remain in place throughout the entire fair week. (Unless discarded due to spoilage.)
20. The Horticulture Department will not be responsible for articles left after 7:00 p.m., Monday, July 28th, 2008.
21. The Fair Board or its representatives are not responsible for theft or damage to articles.
22. Plant water schedule will be as follows: Saturday, July 19, Tuesday, July 22, and Friday, July 25, 2008.

## CATEGORIES

### Section 1: Potted Plants

*(flowering must have blooms at time of showing)*

*1 variety per container*

#### Class

- |  |  |
|--|--|
| <ol style="list-style-type: none"> <li>1. Double African Violets</li> <li>2. Single African Violets</li> <li>3. Ruffled African Violets</li> <li>4. Miniature Violets</li> <li>5. Geraniums</li> <li>6. Begonias (wax single flower)</li> <li>7. Begonias (wax double flower)</li> </ol> | <ol style="list-style-type: none"> <li>8. Begonias (other – in bloom)</li> <li>9. Impatiens (regular)</li> <li>10. Impatiens (double)</li> <li>11. New Guinea Impatiens</li> <li>12. Unclassified plants (in bloom)<br/>Identify on entry card- Small(under18”)</li> <li>13. Unclassified plants (in bloom)<br/>Identify on entry card- Large (18”and over)</li> </ol> |
|--|--|

### Section 2: Potted Plants

*(foliage)*

*1 variety per container*

#### Class

- |   |  |
|---|--|
| <ol style="list-style-type: none"> <li>14. Strawberry Begonia</li> <li>15. Ficus (fig) Family</li> <li>16. Ivy</li> <li>17. Snake Plant (Mother-In-Law’s Tongue plant)</li> <li>18. Other Sanseveria (Bird’s Nest)</li> <li>19. Philodendron &amp; Pothos</li> <li>20. Coleus</li> <li>21. Bromeliads</li> <li>22. Hoya</li> <li>23. Baby Tears (potted)</li> </ol> | <ol style="list-style-type: none"> <li>24. Creeping Charlie</li> <li>25. Unclassified Potted Foliage<br/>Plants under 18”(from top of soil)</li> <li>26. Unclassified Potted Foliage<br/>Plants 18” &amp; over (from top of soil)</li> <li>27(a.) Bonsai, under 18”height<br/>(measured from soil line)</li> <li>27(b.) Bonsai, over 18” height<br/>(measured from soil line)</li> </ol> |
|---|--|

### Section3: Cactus and Sand or Cactus Dish Gardens

*(container no more than 18”in diameter)*

#### Class

- |  |   |
|--|---|
| <ol style="list-style-type: none"> <li>28. Dish Garden</li> <li>29. Terrariums</li> <li>30. Cacti</li> <li>31. Succulents</li> </ol> | <ol style="list-style-type: none"> <li>32. Holiday Cactus</li> <li>33. Aloe-Vera</li> <li>34. Hen &amp; Chicks</li> <li>35. Unclassified</li> </ol> |
|--|---|

### Section 4: Ferns

*1 variety per container*

**Class**

- |                      |                     |
|----------------------|---------------------|
| 36. Boston or Dallas | 39. Staghorn        |
| 37. Fluffy Duffy     | 40. Asparagus Ferns |
| 38. Fluffy Ruffles   | 41. Unclassified    |

### Section: 5 Planter or Dish Garden

*(18" in diameter – weigh no more than 40lbs.)*

**Class**

- 42. Foliage- not over 8" width container- no buds or blooms
- 43. Foliage- over 8" width container- no buds or blooms
- 44. Flowering- not over 8" width container
- 45. Flowering- over 8" width container

### Section 6: Hanging Baskets

*(more than one variety)*

**Class**

- |                                |   |
|--------------------------------|---|
| 46. Wandering Jew              | 52. Impatiens                                   |
| 47. Swedish Ivy                | 53. Rosary or String of Hearts                  |
| 48. Baby Tears, etc. – hanging | 54. Philodendron                                |
| 49. String of Pearls           | 55. Pothos                                      |
| 50. Spider Plant               | 56. Unclassified, flowering                     |
| 51. Geranium                   | 57. Unclassified, foliage-<br>no blooms or buds |

### Section 7: Arrangement of Cut Flowers

**(combination of flowers & foliage & MUST BE GROWN BY EXHIBITOR)**

**(stem length to best show flowers)**

**Class**

- |  |   |
|--|---|
| 58. Arrangement using flowers with driftwood and/or shells or coral.       | 67. Arrangement of dried flowers, herbs, weeds, and grain                               |
| 59. Arrangement of fresh wild flowers, grasses, etc.                       | 68. Miniature arrangement 4" high or less, including container (not endangered species) |
| 60. Arrangement of daisies   | 69. Arrangement using red, white, and blue flower                                       |
| 61. Arrangement of cut foliage (no buds or blooms)                         | 70. Arrangement of Gladiolus – may be larger than 24" wide                              |
| 62. Arrangement of vegetables or fruit with flowers                        | 71. Holiday Arrangement   |
| 63. Arrangement Zinnias  | 72. Centerpiece maximum 24" width-12" height  |
| 64. Arrangement Marigolds – same variety                                   | 73. Arrangement unclassified  |
| 65. Arrangement in a kitchen container                                     |   |
| 66. Arrangement, all white (including accessories) (green foliage allowed) |   |

### Section 8: Cut Flowers

*(stem length and leaves to best show flowers)*

- A. Each exhibit should be same variety & color per container, with leaves
- B. Day Lilies must be 1 stem with at least 3 buds & with at least 1 bloom open, without leaves
- C. Displayed in clear (uncolored) vase or jars
- D. Label bottom of container with name, address & phone number for safe return
- E. No leaves required on other lilies, Gladiolus, or Gerber Daisy.

**Class**

- |  |  |
|--|--|
| 74. Snapdragons, 3 spikes per container                  | 86a) Lilies (remove pollen)  |
| 75. Miniature Zinnias, 3 blooms per container            | 86b) Daylilies (cut stamens before displaying) see B above                             |
| 76. Regular Zinnias, 3 blooms per container              | 87. Sunflowers, 3 small  |
| 77. Large Marigolds, 3 blooms same variety per container | 88. Sunflowers, 1 large  |
| 78. Small Marigolds, 3 blooms same variety per container | 89. Dahlias, 3 - 3" blooms   |
| 79. Gladiolus, 3 stems same variety per container        | 90. Dahlias, 3 - 3"-6" blooms  |
| 80. Gladiolus (miniature), 3 stems per container         | 91. Dahlias, 1 - 6" and over blooms  |
| 81. Corsage, using dried material                        | 92. Unclassified garden flowers, 3 - 3" and under blooms, labeled with name of variety |
| 82. Rose, 3 blooms same variety per container            | 93. Unclassified garden flowers, 3 - 3"-6" blooms, labeled with name of variety        |
| 83. Rose, Hybrid Tea, 3 blooms per container             | 94. Unclassified garden flowers, 1 - 6" and over blooms, labeled with name of variety  |
| 84. Daisy, 3 blooms per container (Small under 2")       |  |
| 85. Daisy, 3 blooms per container (Large over 2")        |  |

**Section 9: Grains and Hay**

**(CLEAR UNCOLORED GLASS CONTAINER – GRAINS WILL NOT BE RETURNED.)**

**Class**

95. Legume hay, one 6" center section of bale or equivalent
96. Grass hay, one 6" center section of bale or equivalent
97. Mixed hay, one 6" center section of bale or equivalent
98. Wheat, 1qt.
99. Oats, 1 qt.
100. Corn, 1 qt.
101. Soy beans, 1 qt.
102. Field Corn, 5 ears
103. Unclassified grains, 1 qt.
104. Popcorn, 5 ears
105. Indian corn, 5 ears

**Section 10: Gourds**

**Gourds in each class should be uniform in size, shape and color.**

**WILL BE LAST YEAR'S GOURD, SINCE NOT RIPE YET THIS YEAR.**

106. Large hardshells (lagenarias) over 12" in circumference and length, exhibit 2
107. Small hardshells (lagenarias) 12" and under in circumference and length, exhibit 3
108. 3 dried, cleaned Luffas (skin, seeds and fiber removed)
109. Fresh ornamentals, 12" or less in circumference and length, exhibit 5
110. Birdhouse – functional, made from dried gourd

**Section:11 Above Ground Vegetables**

*All entries become the property of the fair and will not be returned.*

- A. Tomatoes must be ripe B. Leave wrapper on Cabbage (no more than 6) C. Do not peel onions D. Do not husk corn E. Do not put dill in vase

**Class**

- |  |  |
|--|--|
| 111. Italian beans, 12 per group                 | 118. Brussels sprouts, 12 per group              |
| 112. Green bush beans, round pod, 12 per group   | 119. Cabbage, 1 head round and/or Wakefield type |
| 113. Green bush beans, flat pod, 12 per group    | 120. Cabbage 1 head Savoy                        |
| 114. Yellow beans, 12 per group                  | 121. Cabbage, 1 head flat type                   |
| 115. Pole beans, 12 per group                    | 122. Cabbage, red, 1 head                        |
| 116. Purple or horticultural beans, 12 per group | 123. Cauliflower, 1 head                         |
| 117. Broccoli, 3 heads                           | 124. Celery, 1 crown with stalks intact          |

- |  |  |
|--|--|
| <p>125. Corn, sweet, roasting ears, group of 5<br/>         126. Cucumbers, 5 green for slicing<br/>         127. Cucumbers, 5 pickling, 4" or less<br/>         128. Cucumbers, 5 burpless<br/>         129. Dill, 1 stem<br/>         130. Kohlrabi, group of 5<br/>         131. Herbs, best collection of 5, potted and labeled<br/>         132. Okra, group of 5<br/>         133. Peppers, green sweet, group of 5<br/>         134. Peppers, banana type, group of 5<br/>         135. Hot peppers, Hungarian type, group of 5<br/>         136. Hot peppers, Chile type, group of 5<br/>         137. Rhubarb, 5 stalks (trim to approximately 12" in length)<br/>         138. Squash, summer, group of 3, 1" stem<br/>         139. Zucchini, type, group of 3, 1" stem group</p> | <p>140. Squash, Butternut, group of 1, 1" stem<br/>         141. Squash, Table Queen or Des Moines type, group of 1, 1" stem<br/>         142. Squash, unclassified, group of 1, 1"stem<br/>         143. Tomatoes, cherry type, red or yellow, 1-1/4diameter or less, group of 10<br/>         144. Tomatoes, pear type, group of 5<br/>         145. Tomatoes, red, other than cherry type, group of 5<br/>         146. Tomatoes, Italian type, group of 5<br/>         147. Tomatoes, other, group of 5<br/>         148. Egg plant, exhibit 1, with 1" stem<br/>         149. Peas in pod, group of 12 pods<br/>         150. Edible pea pods, group of 12<br/>         151. Unclassified vegetable above ground, of 5 or 1 large</p> |
|--|--|

### Section12: Below Ground Vegetables

*In group of 5 unless otherwise stated.* All entries become the property of the fair and will not be returned

#### Class

152. Beets, table with tops 1" long  
 153. Carrots, with tops 1" long  
 154. Onions, white  
 155. Onions, green  
 156. Onions, red  
 157. Onions, Spanish type  
 158. Onions, yellow globe type  
 159. Potatoes, Irish Cobbler type  
 160. Potatoes, red  
 161. Potatoes, Kennebec  
 162. Potatoes, Russet  
 163. Potatoes, Yukon Gold type  
 164. Radishes, red  
 165. Radishes, white  
 166. Turnips  
 167. Unclassified below ground vegetable, group of 5 small, or 1 large

### Section 13: Miscellaneous

#### Class

168. Wreaths made from plant products (Artificial accessories permitted)  
 169. Garden Figures – made from vegetables, grains, etc. Judged on originality, decorativeness  
 170. Seed Craft Display – a craft using dried seeds  
 171. Collection of 5 dried and labeled (packaged) herbs  
 172. Largest gourd  
 173. Largest tomato (does not have to be ripe)  
 174. Longest cucumber  
 175. Best display of 5 or more kinds of vegetables (edible only). Container to be furnished by exhibitor  
 176. Old fashioned scarecrow. Must be shown on base that will allow it to stand unsupported for use in a garden.

177. Tallest stalk of corn from ground level, roots in container. (Label the height) – in a 5 gallon plastic bucket
178. Tallest sunflower, including flower head, from ground level, roots in container. (Label the height) in a 5 gallon plastic bucket
179. Largest sunflower head, 3” or less stem
180. Largest head of cabbage measured by largest circumference
181. Largest potato
182. Enough potatoes to fill 12-1/2” x 18” tray (24-36). Identify variety; trays will be furnished
183. Odd or distorted vegetable – not altered or decorated
- 184(a). Horticulture photography colored (1 photo – framed, matted under glass and ready to hang or stand) – Must be no larger than 8”x10”.
- 184(b). Horticulture photography black and white (1 photo - framed, matted under glass and ready to hang or stand) Must be no larger than 8”x10”.
185. Wren house – homemade, ready to hang
186. Pressed flower – framed & under glass, no larger than 8”x10”
187. Miscellaneous Fruit – produce smaller than 9” diameter needs to be in group of 5.
188. Artistic Herb Arrangement, fresh or dried. Listing of herbs should accompany arrangement.

**CHAMPION, RESERVE CHAMPION AND BEST OF SHOW ROSETTE RIBBONS DONATED BY:**

- |                              |   |
|------------------------------|---|
| - Tri-State Protection, Inc. | - Sautters Floral & Greenhouse          |
| - Hibshman Distributing      | - Bill Evans Insurance                  |
| - Old Hoosier Meats          | - Phillips & Sons Irrigation            |
| - Ron Martin Feed & Supply   | - Michiana Master Gardeners Association |
- Friends of Horticulture

**OVERALL TROPHIES DONATED BY:**

Sections 1-8:

- Champion Trophy by Martin’s Pet and Garden Center
- Reserve Champion by Richard and Joy Blough
- Third Place Trophy by Tri State Protection, Inc.

Sections 9-13

- Champion Trophy by Kruse Farm Supply
- Reserve Champion by Sautter Floral & Greenhouse
- Third Place Trophy by Charles and Beth Phillips

Special Trophies – Donated by G. Steve Streeter

- Special Bean Trophy (Traveling Trophy) (for most total bean points)
- Special Potato Trophy (Traveling Trophy) (for most total potato points)
- Special Cabbage Award (Traveling Award) to person with largest head of cabbage (entered in class # 180)
- Special Trophy – Elizabeth (Betsy) Hibshman Memorial trophy for the top Artistic Herb Display.

*Eligibility for these awards is automatic, based on 4 points for each first placing, 3 for second, 2 for each third, 1 for each fourth. In case of a tie, winner will have most 1st places.*

**2008 GUIDELINES – (These suggestions may help your exhibit win)**

**CUT FLOWERS**

1. Flowers are free from injury or damage.
2. Shape and size of flowers are typical for the variety.
3. Flowers are clean, fresh, and free of pollen on petals.
4. Flowers are one variety and uniform in size.
5. Stems are straight, clean, and undamaged.
6. Leaves are clean, healthy, and undamaged.

## VEGETABLES

*Do not peel onion or remove leaves from cabbage.*

*Do not clean vegetables by harsh washing or vigorous scrubbing.*

1. Overall attractiveness. Clean, roots trimmed.
2. Uniformity: Size, shape, color, type, and variety development.
3. Prime, edible condition, fresh. Best usable size and maturity.
4. Freedom from injury or damage: Insects, weather, growth, handling and sunburn.

## PLANTS GROWING IN CONTAINER

*Foliage plants must have no buds or blooms whatsoever. Flowering plants must be flowering.*

*Avoid leaf cleaners or shines that contain heavy oils or waxes, except for dried gourds.*

1. Plant is attractive, clean, and undamaged.
2. Plant is healthy, well-established, and growing vigorously.
3. Container is compatible with size.
4. Container is clean and suitable for growing a plant.

## FLOWER ARRANGEMENTS

*Geometric (triangle or cone) shaped flower arrangement is preferred over other shapes by most judges.*

1. Lines establish a strong focal point (preferably the center).
2. Flowers are in scale with container and each other.
3. Flowers are fresh and undamaged.
4. Foliage and accessories supplement and enhance flowers.
5. Flowers not crowded.
6. Each flower contributes to the arrangement.

## AGRICULTURE PRODUCTS

1. Uniformity of produce.
2. Condition (old, young, wilted, dirty).
3. Appetizing – appearance
4. Proper handling
5. Insect free and disease free

## MISCELLANEOUS

1. Overall attractiveness
2. Uniformity: Size, shape, color, type, and variety development.
3. Freedom from injury or damage: Insects, weather, growth, handling & sunburn.
4. Height
5. Length
6. Width
7. Balance
8. Use of Color
9. Originality
10. General Attractiveness
11. Workmanship (if applicable)
12. Choice of material
